### INSTRUCTIONS FOR AUTHORS

*Fluminensia* publishes papers from the domain of philology. Every paper that the Editorial Board deems suitable for publication is sent out for a double-blind peer review. The final decision on the categorisation of the paper is made by the Editorial Board. *Fluminensia* does not publish professional papers.

Only **previously unpublished** manuscripts are accepted for publication. The manuscript should be accompanied by a signed Authorial statement (the form can be downloaded from the *Fluminensia* website) stating that the manuscript has not been previously published in any other journal or book and that it has not been submitted for publication to any other journal. *Fluminensia* does not charge authors for the submission, processing or publication of manuscripts.

Manuscripts may be submitted at any time, and individual volumes/issues are **closed on 1<sup>st</sup> March, that is, 15<sup>th</sup> September.**

**The authors are asked to have their manuscripts proof-read prior to submission.** The editorial board reserves the right to adapt the manuscript in such a way as to meet the requirements of the journal and the norms of the standard Croatian language.

1. The manuscript may be submitted in Croatian or another language (prior approval by the Editorial Board is needed in case the manuscript is submitted in a foreign language). Manuscripts in foreign languages should be accompanied by a statement signed by a competent native speaker that they have proof-read the manuscript.

The Editorial Board reserves the right to decide on the final length of the text depending on the topic and the reviewers' remarks/comments.
3. The text should be typed using **Times New Roman, 12 ppt., and the spacing should be 1.5**. Manuscripts containing special fonts or characters should be accompanied by a document which contains the code used. The pages should be numbered.
